Azaria's Home Assistant Agency

At **Azaria's Home Assistant Agency**, we are a licensed **non-medical home care agency** dedicated to supporting individuals with daily living needs in the comfort of their own homes. Our mission is to enhance quality of life, promote independence, and provide compassionate care with dignity and respect.

Our Services Include:

- Personal Care Assistance (bathing, dressing, grooming, toileting)
- Companionship and emotional support
- Meal preparation and light housekeeping
- Medication reminders (no administration)
- Transportation to appointments and errands
- Respite care for family caregivers
- Support for individuals recovering after surgery or living with disabilities
- Alzheimer's and dementia companionship care

Client Eligibility:

We provide services to:

- Seniors and adults needing assistance with daily living
- Individuals with physical or developmental disabilities
- Clients recovering from surgery or illness who need temporary non-medical support
- Families seeking respite or supplemental care for loved ones
- Seniors re-entering society after incarceration
- Veterans (VA patients) needing non-medical in-home support

Non-Medical Limitation:

Azaria's Home Assistant Agency provides **non-medical** personal care and support only. Our caregivers do **not** perform medical tasks such as administering medications, providing wound care, checking vital signs, or performing medical procedures. Any medical care must be provided by a licensed healthcare professional.

Commitment to Quality:

Our caregivers are trained, background-checked, and dedicated to ensuring each client's safety, comfort, and well-being. We strive to deliver reliable, compassionate service and uphold the highest standards of professionalism in every home we serve.
